Case 19-AC-61

PACIFIC NORTHWEST REGIONAL  
COUNCIL OF CARPENTERS

Petitioner

**DECISION AND ORDER**

On February 7, 2000, the Regional Director issued a certification of representative in Case 19-RC-13840, certifying the Pacific Northwest District Council of Carpenters as the collective bargaining representative of the following appropriate unit:

All carpenters employed by the Employer at its Cascade High School jobsite in Everett, Washington; excluding all office clerical employees, guards and supervisors as defined by the Act, and all other employees.

On April 12, 2000, Petitioner filed the above-referenced petition requesting that the certification issued in Case 19-RC-13840 be amended to reflect the current name of Petitioner, as set forth above. Petitioner asserts that there has been no change in its organization, and that it has merely changed the word "District" to the word "Regional" in its name.

Thereafter, on April 13, 2000, the Acting Regional director issued an Order to Show Cause why the certification should not be so amended. No good cause having been shown, I shall grant the petition.

**ORDER**

**IT IS HEREBY ORDERED** that the petition to amend certification filed by Pacific Northwest Regional Council of Carpenters be, and it hereby is, granted, and that the Certification of Representative issued in Case 19-RC-13840 be amended as follows:

By substituting as the certified representative "Pacific Northwest Regional Council of Carpenters" for "Pacific Northwest District Council of Carpenters."

**DATED** at Seattle, Washington this 26<sup>th</sup> day of April, 2000.
